

Dear Friends,

It's been a year of innovative grants and fun events at CEEF, and all of it thanks to YOU! Because of your support, CEEF grants play a role in the education of every student in Cape Elizabeth. Starting from an innovative Playground and Math Lab at Pond Cove, going on to explore a modern Library and Learning Commons at the Middle School, and then benefiting from the Freshmen Academy and the Achievement Center at the High School, CEEF enriches Cape students at every stage of their education. These are just a few of the hundreds of CEEF grants since 2001 that would otherwise fall outside of the school budget. Cape students and faculty have also developed projects such as Aquaculture/Experiential Learning, Beekeeping, Robotics, and Coding Clubs that CEEF is proud to fund through your support. I hope you'll join me in celebrating the grants and events from our past year, and donate to help foster the ideas of the future!
