

2019-2020 ANNUAL REPORT

Wherever the classroom,
CEE is there!

Dear Friends,

Looking back on last year, we appreciate how different the world is today, and CEEF too. However, while changes and postponements have happened, we see what hasn't changed: innovation and Cape schools' dedication. Our Fall 2019 grants showcased civics, arts, and STEM projects, highlighting the range of opportunities available to our Cape students. When the pandemic hit in early 2020, Cape educators and students adapted to remote learning, moving forward in an ever-changing world. Our schools and community leaned on each other and sent Red Apple Awards to thank teachers while partnering with CEEF to donate to the Cape Backpack Fund. Our grants continued as well, with Zoom presentations and caring for our youngest Cape readers. CEEF is proud to be part of the Cape Elizabeth community and to partner with YOU, our donors, to play a role in supporting our educators and students.
